

# MT BETHEL ELEMENTARY

"ANCHORED IN EXCELLENCE"

Dear Mt. Bethel Parents, Families and Guests,

Welcome to the Mt. Bethel website! I am honored to be the principal of this wonderful school and to work with a faculty and staff that is second to none, known for their dedication and commitment to student achievement. Please take a moment to visit our teacher blogs to get a sense of the activities that are happening in their classrooms.

The PTA and the Mt. Bethel Foundation are an integral part of our school. The Foundation funds our technology, drama and science instructors as well as teacher grants, programs and other resources for our school. Our annual award winning PTA provides various programs for parents and students. They also generously provide teachers with additional classroom resources and form committees to support classroom instruction such as music and art parents. The PTA and Mt. Bethel Elementary School Foundation blogs will provide you with additional information.

Please enjoy your time visiting our website. We hope you will get a touch of the nurturing, inspiring and academically challenging environment at Mt. Bethel. If you have any questions, please call the school at (770)579-7248 and our front office staff will be happy to help you.
